

# MASTERING ECG SKILLS COURSE

<b>Title</b>	<b>Mastering ECG Skills</b>
<b>Duration</b>	1 Day ( Saturday Whole Day)
<b>Date</b>	<b>Saturday 23<sup>rd</sup> November 2019</b>
<b>Time</b>	0900- 1700 hrs

<b>Course Format</b>	Live lectures , Interactive APP Based Teaching and Practice ECG Sessions
----------------------	--

## Overview

This is a one day intensive step by step ECG interpretation course comprising of short lectures and a practice work-shop designed to improve ECG Interpretation skills with confidence and accuracy.

This course is conducted through our own interactive mobile APP which enables audience participation with NO QUESTIONS ASKED INDIVIDUALLY.

The course will include basics of ECG interpretation, recognition of normal variants, patterns in cardiac ischaemia, arrhythmias, structural heart disease.

**We will teach you how to read an ECG- what to ignore, when to worry and when to seek help and when to refer.**

Refreshments will be available throughout the day including a hot lunch.

Participants will receive a certificate at the completion on the course
